## TERMS OF SUBSCRIPTION TO THE MERCANTILE AGENCY.

MEMORANDUM of the Agreement between DUN, WIMAN & Co., Proprietors of The Mercantile Agency, on the one part, and the undersigned, Subscribers to the said Agency, on the other part, viz.:

The said Proprietors are to communicate to us, on request, for our use in our business, as an aid to us in determining the propriety of giving credit, such information as they may possess concerning the Mercantile Standing and Credit of Merchants, Traders, Manufacturers, etc., throughout the United States and in the Dominion of Canada. It is agreed that such information has mainly been, and shall mainly be obtained and communicated by servants, clerks, attorneys, and employés, appointed as our sub-agents, in our behalf, by the said DUN, WIMAN & Co. The said information to be communicated by the said DUN, WIMAN & Co. in accordance with the following rules and stipulations, with which we, Subscribers to the Agency as aforesaid, agree to comply faithfully, to wit:

1. All verbal, written, or printed information communicated to us, or to such confidential clerk, as may be authorized by us to receive the same, and all use of The Reference Book hereinafter named, shall be strictly confidential, and shall never, under any circumstances, be communicated to any persons outside of our establishment, but shall be exclusively confined to the business of the same.

2. The said DUN, WIMAN & Co. shall not be responsible for any loss caused by the neglect of any of the said servants, attorneys, clerks, and employés, in procuring, collecting, and communicating, or in failing to communicate the said information, and the actual verity or correctness of the said information is in no manner guaranteed by the said DUN, WIMAN & Co. The action of the said Agency being of necessity almost entirely confidential in all its departments and details, the said DUN, WIMAN & Co. shall never, under any circumstances, be required by the subscriber to disclose the name of any such servant, clerk, attorney, or employé, or any fact whatever concerning him or her, or concerning the means or sources by or from which any information so possessed or communicated was obtained.

3. The said DUN, WIMAN & Co. are hereby requested to place in our keeping, for our exclusive use, a printed copy of a Reference Book, containing ratings or markings of estimated capital and relative credit standing of such business men, in such States as may be agreed upon, prepared by them or the servants, clerks, attorneys, and employés aforesaid. We agree that upon the delivery to us of any subsequent edition of The Reference Book, the one now placed in our hands shall be surrendered to them; and also that upon the termination of our relations as subscribers, the copy then remaining in our hands shall be delivered by us to the said DUN, WIMAN & Co., it being clearly understood and agreed upon that the title to said Reference Book is vested and remains in said DUN, WIMAN & Co., and that failing to surrender the same at the expiration of subscription, DUN, WIMAN & Co. may regard the subscription as remaining in force, and require us to pay at this subscription rate for the same up to the time when the said books are surrendered.

4. We will pay in advance Dollars for one year's services,  
of said DUN, WIMAN & Co., from the DATE HEREOF, together with the use of the said Reference Book, pursuant to the foregoing conditions; and such other sum annually thereafter, as may be agreed upon between us verbally or otherwise, subject always to the conditions and obligations of this agreement.

5. DUN, WIMAN & Co. are hereby permitted to reserve to themselves the right to terminate this subscription at any time, on the repayment of the amount for the unexpired portion thereof.

6. If the inquiries for detailed reports on this contract shall exceed in number,  
the excess we agree to pay for at the rate of Thirty-three and One-third Dollars per hundred.

7. The conditions and obligations of this agreement are understood by the Subscriber to apply from the time of signing this contract, and to all information or books furnished to said Subscriber after that time.

# ABSTRACT OF ASSIGNMENT AND COLLECTION LAWS IN DOMINION OF CANADA.

## ONTARIO.

**Arrest and Imprisonment for Debt.**—Imprisonment for debt is not allowed in Ontario, but in case a creditor can make an affidavit that he has a cause of action to the amount of \$100 and upwards, or that he has sustained damage to that amount; and also, by affidavit, show facts and circumstances to satisfy a judge that there is reasonable and probable cause that debtor is, unless forthwith apprehended, about to quit Ontario with intent to defraud his creditors, the debtor may be arrested and confined in close custody till he puts in special bail for such sum as shall be named by the judge in the order. The writ of *capias* so issued is the commencement of the action.

**Assignments.**—No trader can make a voluntary assignment preferring certain creditors; any such assignment can be set aside as fraudulent, and under certain circumstances the debtor by such a preferential assignment may make himself liable criminally.

**Attachments.**—Attachments only issue in case of absconding debtors who leave Ontario with intent to defraud their creditors, and who are possessed, to their own use and benefit, of real or personal property, credits, or effects, not exempt by law from seizure. All other actions are commenced by ordinary writ of summons.

**Bills of Exchange and Promissory Notes.**—Notes do not bear interest, unless expressed on the face, until after maturity, from which period, however, the legal rate—six per cent.—can be recovered. If a rate of interest is named on face of note, and in addition to the words, "with interest at the rate of —," the words "until paid" are added, the named rate can be collected till date of payment of note, otherwise, without these words (or others of similar import), the expressed rate only during period of currency, and legal rate from maturity till payment can be collected.

**Chattel Mortgages.**—Must be filed with in five days of their being executed, and are only valid for a year from date, but may be renewed from year to year; such renewal must be made within thirty days before expiration of year, and filed also. Chattel mortgages are filed in the county clerk's office of the county in which the goods mortgaged are situate.

**Commissions.**—Commissions can issue from all courts of record, and upon a proper application in a suit in the division court, a commission will be directed to issue from the county court, to take the evidence to be used in the division court. The costs of the commission will be allowed to the successful party.

**Contracts of Married Women.**—Married women may contract and are liable on contracts to the same extent as *femes sole*, but such contracts must be made on faith of, and credit of her separate estate, and she must possess separate estate at time of contract, and at time of judgment. She may make notes and is liable thereon subject to above qualifications.

**Executions.**—Execution can issue on judgments by default in eight days after last days for appearance, or seventeen days from date of service of writ. In cases going to trial, execution does not issue until the fourth day of the term following the verdict in the superior courts—the second day of term in county court cases—unless the judge makes an order for immediate execution. The sheriff is bound to return writs at any time after demand, in writing. In division courts bailiff must return writ within thirty days, unless plaintiff authorizes him to renew writ for six months longer, and so from time to time. Writs in county and superior courts are good for one year from date, and may be renewed from year to year. Lands cannot be sold under execution until after expiration of a year from date of issue of execution. Executions cannot be stayed as a general rule, except on applications for new trial. Executions against lands bind lands of debtor in

county in which issued from date of being placed in sheriff's hands, without being registered. This in superior and county court cases. Judgments of division courts for amounts exceeding \$40 may be made judgments of the county court, and executions thereon issued against lands.

**Exemptions.**—The exemptions from execution are beds, bedding, and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles; all necessary fuel, meat, vegetables, fish, flour—not more than sufficient for ordinary consumption of debtor and family for thirty days and not exceeding in value \$40; one cow, four sheep, two hogs, and food therefor for thirty days; tools and implements of or chattels ordinarily used in debtor's occupation to value of \$60; bees reared and kept in hives to the extent of fifteen hives; no real estate.

**Holidays.**—Sunday, New Year's Day, Good Friday, Birthday of the Sovereign, Christmas Day and Easter Monday, Dominion Day (1st of July), and any day appointed by proclamation for a public holiday or a general thanksgiving day throughout Canada. Whenever the last day of grace, on negotiable paper, falls on a legal holiday, the day next following, not being a legal holiday, shall be the last day of grace.

**Interest.**—Interest may be recovered on open accounts from and after demand of payment and notice that interest will be charged if account not paid.

**Judgments.**—Judgments may be obtained during vacation. Judgment can be obtained in superior and county courts ten days after defendant served, if resident in Province. In division courts in eleven days after service, if defendant resides in county where suit commenced, or twenty-one days, if defendant resides in another county than the one sued in. These judgments, of course, are judgments by default. In contested cases, from one month to three months, except where no defense on the merits can be shown, when judgment may be entered under order of the court. Judgments are good for twenty years from their date.

**Jurisdiction of Courts.**—Superior courts unlimited jurisdiction; county courts up to \$400, where amount ascertained by acts of parties or signature of defendant, as notes, bonds, &c.; open accounts and unsettled balances, up to \$200. In division courts upon any note, bill of exchange, or any debt, or money demand, the balance of which does not exceed \$200, where the amount or original amount is ascertained by the signature of the defendant. In other cases, any unsettled balance, where it does not exceed \$100, and where such is a balance of an account not originally exceeding \$400. Notes and accounts are outlawed in six years from time they become due.

**Mechanics' Liens.**—"Unless he signs an express agreement to the contrary, every mechanic, machinist, builder, miner, laborer, contractor, or other person doing work upon, or furnishing materials to be used in, the construction, alteration, or repair of any building or erection, or erecting, furnishing or placing machinery of any kind in, upon, or in connection with any building, erection or mine, shall by virtue of being so employed or furnishing have a lien for the price of the work, machinery or materials, upon the building, erection or mine, and the lands occupied thereby or enjoyed therewith." A mechanic may also have a lien for 30 days wages. This lien must be filed in the Registry Office in the county in which the land or property is situated within 30 days after the last day's labor for which the wages are payable, and within 30 days after the completion of the construction, alteration, etc., of the building for which material, machinery, etc., is supplied. Payment may be enforced by proceedings in court pointed out in detail by the Act.

**Verification of Accounts.**—Verification is of no use, and accounts and claims must be

proved by admissions of defendant, or by evidence of witnesses examined in court, or their evidence can be taken under commission if non-residents, or sick or absent.

No Law exists in this Province requiring Commercial Travelers to take out a license.

## QUEBEC.

**Assignments.**—Any creditor may make a demand on a debtor to make an assignment or "cession," if debtor refuses then *capias* may issue. A debtor may be compelled by issue of writ of *capias* to make a "cession" or assignment of his estate to a curator appointed by the court, on advice of a meeting of creditors. The curator or trustee realizes assets, and divides the proceeds among creditors, but the debtor is not discharged by such assignment. Creditors accepting the dividend may still retain claim versus debtor for balance.

**Attachments.**—Attachments issue on production of affidavit by creditor or agent that debtor is about to abscond, or secrete goods with a view to defeat or defraud his creditors.

**Chattel Mortgages.**—There are no such instruments known to the law in Quebec. If a debtor wishes to secure a debt by chattels, he must deliver them absolutely to the creditor.

**Commissions.**—Commissions can issue from the circuit court and superior court.

**Contracts of Married Women.**—A wife who is a public trader, may, without the authorization of her husband, obligate herself for all that relates to her commerce, and in such case she also binds her husband, if there be community between them.

**Execution.**—Execution can only issue in fifteen days after judgment, unless cause is shown by plaintiff that defendant is making away with his property, when he can procure its issue immediately. Execution can only be stayed by opposition of defendant, supported by affidavit, which can be filed on the ground of informalities in seizure, or seizure of goods of third party though in possession of defendant. Case tried in the ordinary way, to test these rights, takes from two to three months. The sheriff must return execution on return day mentioned in the writ, which is generally for moveables about twenty days after the issuing thereof, and for lands two months.

**Exemptions.**—The exemptions from execution are beds, bedding and bedsteads, in ordinary use by debtor and his family, necessary wearing apparel, one stove and pipes, and a number of smaller articles. All necessary fuel, meat, vegetables, fish, flour not more than sufficient for ordinary consumption of debtor and family for thirty days, and not exceeding in value \$40. One cow, four sheep, two hogs and food therefor for thirty days; Tools and implements of, or chattels ordinarily used in debtor's occupation, &c., &c. No real estate.

**Holidays.**—New Year's Day, Epiphany, Ash Wednesday, Annunciation, Good Friday, Easter Monday, Ascension, Corpus Christi, S.S. Peter and Paul, All Saints, Conception, Christmas, the Birthday of the Sovereign, and 1st of July, are legal holidays. Negotiable paper falling due on those days or on a Sunday are due only the day after and must be protested then.

**Interest.**—Interest may be charged when defendant has promised to pay it, or when a usage or course of dealing has been proved, under which defendant has been in the habit of paying interest. When no rate agreed upon legal rate is 6 per cent.

**Judgments.**—Judgments may be obtained all the year round, except from 10th July to 31st August, and a few days at the end of each month. Judgments may be obtained where no defence interposed in circuit courts in eight days, in superior courts in fourteen days, and in both courts one extra day must be allowed for every fifteen miles that defendant lives from Montreal. Special provisions relating to

# ASSIGNMENT & COLLECTION LAWS, &c.

actions based upon commercial contracts, are designed to expedite the trial and judgment therein. A judgment is good for thirty years. No judgment notes are allowed in Quebec.

**Jurisdiction of Courts.**—Circuit court up to \$100; superior courts, all amounts above \$100; notes and accounts are outlawed in five years.

**Mechanics' Liens.**—The only thing of this kind we have in the Province of Quebec is the builder's privilege, whereby builders or contractors may register against the property for the amount by which their work has increased its value.

**Verification of Accounts.**—No verification is wanted; accounts and claims must be proved out of mouth of defendant or by witnesses examined in court or under commission if witnesses reside in States or are absent.

## COMMERCIAL TRAVELERS' LICENSE LAWS.

Licenses are collectible in Levis and Three Rivers.

## NEW BRUNSWICK.

**Arrest.**—Upon making an affidavit setting forth the cause of action, and the amount due, and that the arrest is not made for the purpose of vexing or harassing debtor, arrest can be made on first process, but not after judgment, unless by order of judge, upon showing fraud or false pretenses, or that defendant has means to pay judgment, or is about leaving the Province, to the prejudice of plaintiff. After arrest defendant is entitled to his discharge upon making a disclosure showing no property.

**Assignments.**—No insolvent laws. A debtor can make an assignment by deed to trustees for the benefit of creditors, giving preferences if he so desires.

**Attachments.**—The property of an absconding, absent or concealed debtor upon application of a creditor for \$40, and upwards, may be attached. No other attachment laws. (See garnishee.)

**Bills of Sale.**—They must be filed in the office of the registrar of deeds, otherwise as against subsequent purchasers and assignees or execution creditors the bill of sale takes effect only from the time of filing. The expression "Bill of Sale," includes bill of sale, assignments, transfers, declarations of trust without transfer, and other assignments of personal chattels, powers of attorney, authorities or licenses to take possession of personal chattels as security for any debt. Assignment for general benefit of creditors, transfer of a ship and some other transfers specified by the statute, are not included in this expression.

**Chattel Mortgages.**—See Bills of Sale.

**Commissions.**—Commissions to take evidence are issued from courts of record, viz.: the supreme and county courts.

**Executions.**—Issue immediately on signing final judgment in the supreme and county courts, and when deposited in the sheriff's office, binds the goods, chattels, lands, and premises of the debtor. A memorial of the judgment being filed in the registrar's office, becomes a charge upon the real estate for five years. The sheriff must first exhaust the personal property before selling the real estate, and must return the execution on the return day thereof.

**Exemptions.**—Wearing apparel, bedding, kitchen utensils, tools of trade to the value of \$100.

**Execution.**—Execution can issue immediately after judgment, unless expressly otherwise ordered by the court or judge. Execution can only be stayed by order of the court upon grounds satisfactory to the court.—Writ of execution is good for one year if not carried out, and it may be renewed at the expiration of the year.

**Exemptions.**—The necessary wearing apparel, beds, bedding and bedsteads of debtor and his family; stove and pipe, crane and appendages, andirons, cooking utensils, tongs, knives, forks, plates, teacups and saucers, shovels, table, chairs, milk-jug, teapot, spoons, spinning wheel and weaving-loom, if in ordinary domestic use; religious books, water bucket, axe, saw, and such fishing nets as are in common use; all necessary fuel, meat, flour and vegetables for family use—enough for thirty days' consumption; tools and implements of debtor's occupation to value of \$30; one cow, two sheep, and one hog, and food therefor for thirty days. County court has jurisdiction in all matters of contract and tort where the amount claimed is not less than \$20 nor more than \$400 in contracts and \$200 in tort. Justices courts have jurisdiction in all matters *ex contractu* up to \$80.

**Mechanics' Lien.**—Mechanics may have a lien for work and materials furnished upon the estate of the person for whom it is done, by agreement with the latter, but the agreement must be filed in the office of the Registrar of Deeds. If the lien is claimed by a sub-contractor, the amount claimed in respect of the lien is limited to the amount payable to the contractor. In cases where the estate charged by the lien is a leasehold, the fee simple may also be charged with consent of the owner of the fee simple. All persons furnishing labor or materials for a contractor under written contract with the consent of the owner, and who shall notify the owner of the furnishing of the labor and materials within seven days after the furnishing of such labor and materials, have a lien. In case of absent or absconding debtor property may be attached in supreme or county court as case may be. A bailable writ of *capias* may be issued out of supreme court against a debtor about to abscond, but a judge's order for same must be obtained upon an affidavit swearing to debt and setting out such facts and circumstances as will satisfy judge that debtor is about to leave Province for the purpose of defrauding creditor. *Capias* may be issued from county court for a debtor about to abscond for any sum over \$4, and up to \$150, upon affidavit of the debt and that plaintiff believes defendant is about to leave Province to evade payment of his debts.

The writ of *capias* so issued may be the commencement of the action.

**Assignments.**—No person, being at the time insolvent, or on the eve of insolvency, can make any gift, conveyance, assignment or transfer of any real or personal property to any one or more of his creditors with intent to defeat, defraud or delay the others.

**Bills of Exchange and Promissory Notes.**—These are governed by Dominion Statutes as to days of grace, protest and notice. Notes do not bear interest, unless expressed on the face, until after maturity, whereon which period, however, the legal rate of six per cent.—can be recovered. If a rate of interest is named on face of note, and in addition to the words, "with interest at the rate of—," the words "until paid" are added, the named rate can be collected till date of payment of note; otherwise, without these words (or others of

similar import), the expressed rate only during period of currency, and legal rate from maturity till payment can be collected.

The sheriff is bound to return writs at any time after demand, in writing. In county courts bailiff must return writ within three months, unless plaintiff authorizes him to renew writ for three months longer, and so from time to time. Writs of execution in superior courts are good for two years from date, and may be renewed from year to year. Lands cannot be sold under execution, and no executions against lands can now be taken under certificate of judgment, which must be registered. Executions cannot be stayed as a general rule, except on applications for new trials. Judgments in county courts for amounts exceeding \$40 may be made judgments of the superior court, and certificates of judgments issued against lands.

**Exemptions.**—(1) The bed and bedding in the common use of judgment debtor and family, and household effects and furniture, not exceeding in value \$50; (2) the necessary and ordinary clothing of judgment debtor and his family; (3) twelve volumes of books, the books of a professional man, one axe, one saw, one gun, six traps; (4) the necessary food for judgment debtor and family for sixty days, provided, however, said exemption shall only apply to such food and provisions as may be in possession at time of seizure; (5) two cows, three oxen, or three horses or mules, four sheep, two pigs, twelve fowls, and food for the same for sixty days, provided such exemption as to horses shall apply only in case they are used by the judgment debtor earning his living; (6) the tools, agricultural implements and necessities used by judgment debtor in the practice of his trade, profession or occupation to the value of \$50; (7) the articles and furniture necessary to the performance of religious services; (8) the land upon which the defendant or his family actually reside, or which he cultivates, either wholly or in part, or which he actually uses for grazing or other purposes provided the same be not more than 160 acres—in case it be more the surplus may be sold subject to any lien or encumbrance thereon; (9) house, stables, barns and fences on judgment debtor's farm, subject, however, as aforesaid; (10) all necessary seeds of various varieties, or roots, for proper seeding and cultivation of thirty acres; (11) the actual residence or home of any person other than a farmer, provided the same does not exceed the value of \$1,500, and if the same does exceed the value of \$1,500 then it may be offered for sale and sold, and if for an amount that shall exceed \$1,500, after deducting all costs and expenses, the \$1,500 shall be paid over to the debtor, and such sum until paid over to the judgment debtor shall be exempt from seizure under execution or garnishment.

**Interest.**—Interest may be recovered on open accounts from and after demand of payment and notice that interest will be charged if account not paid.

**Judgments.**—Judgments may be obtained during vacation by default. If there be real defence, an application can be made to strike out appearance and sign judgment as on default of appearance. These judgments, of course, are judgments by default.

**Verification of Accounts.**—Verification is of no use, and accounts and claims must be proved by admissions of defendant, or by evidence of witnesses examined in court, or their evidence can be taken under commission if non-residents, or sick or absent.
